We Need your Help

Calling all Volunteers!

Come spend time with us at the Voting and Election Assembly September 6-8
Songhees Wellness Centre, 1100 Admirals Road

The 5 Districts Host Committee needs your help.

It has been 15 years since Victoria has hosted an Area 79 event.

Volunteers are needed throughout the weekend. There are many opportunities for you to do what you can to support this lively Area 79 BC/Yukon A.A. Voting and Election Assembly.

Volunteers may support one period (2-4 hours) or as long as you are inspired and available.

People who are in the vicinity of Songhees Wellness Centre are encouraged to offer billets for attendees arriving from across BC/Yukon.

Guests are welcome to observe the proceedings.
